

DISPERSE Project Workshop

ERC Advanced Grant 269586

Dynamic Landscapes, Coastal Environments and Human Dispersals

Hellenic Centre for Marine Research (HCMR), Athens

11th–12th November 2014

Participation list:

Abdullah Alsharekh¹, Geoff Bailey², Maud Devès³, Antonia Diamantopoulou⁴, Nic Flemming⁵, Nena Galanidou⁶, Maria Geraga⁴, Niklas Hausmann², Robyn Inglis², Eleni Kaberi⁷, Geoffrey King³, Matt Meredith-Williams², Garry Momber², Ioannis Morphis⁷, Ioannis Panagiatopoulos⁷, Najeeb Rasul⁸, Grigoris Rousakis⁷, Dimitris Sakellariou⁷, Constantina Tsambouraki-Kraounaki⁷, Alexandra Zavitsanou⁷

Timetable and Titles

Tuesday 11th November 2014

- 09.00 DISPERSE session
- 10.00 Opening Remarks. *Dimitris Sakellariou*
- 10.15 The DISPERSE Project: Current Status and Aims of Meeting. *Geoff Bailey*
- 10.30 New Directions in Continental Shelf Prehistoric Research. *Nic Flemming*
- 11.00 Coffee Break
- 11.30 Farasan Shallow Underwater Survey and Diving. *Garry Momber*
- 12.00 The AEGAEO Survey. *Dimitris Sakellariou*
- 13.00 Lunch
- 14.00 Palaeoenvironmental analyses of the AEGAEO Sediment Cores. *Maria Geraga , Antonia Diamantopoulou, Eleni Kaberi*
- 14.45 New Directions in Tectonic Geomorphology and Prehistory. *Maud Devès & Geoffrey King*
- 15.30 Tea break
- 16.00 New Palaeolithic Research in the Aegean and Ionian Seas: Implications for Dispersal and Underwater Research. *Nena Galanidou*
- 17.00 Discussion

DISPERSE Project Workshop

ERC Advanced Grant 269586

Dynamic Landscapes, Coastal Environments and Human Dispersals

Hellenic Centre for Marine Research (HCMR), Athens

Wednesday 12th November 2014

09.00 Palaeolithic Survey in SW Arabia: the On-Land Dimension and its Offshore Implications.
Robyn Inglis

10.00 The Farasan Shell Mounds: Site Formation and Offshore Implications. *Matt Meredith-Williams*

11.00 Coffee Break

11.30 The Research and Role of the Saudi Geological Survey. *Najeeb Rasul*

12.15 Current Directions in Palaeolithic Research in Saudi Arabia: the Role of King Saud University and the Saudi Commission for Tourism and Antiquities. *Abdullah Alsharekh*

13.00 Lunch

14.00 Recent Results of Underwater Research at Franchthi Cave. *Dimitris Sakellariou*

14.15 Discussion: Future Plans for Underwater and Other Research.

15.30 Tea break

16.00 Final Discussion and Closing Remarks.
